3. Adoption of a resolution on the distribution of profit according to the approved annual report
4. Indicative vote on the remuneration report
5. Proposals from the Board of Directors

(i) Approval of the remuneration of the Board of Directors for 2021

The Board of Directors proposes to maintain the annual basic fee at DKK 325,000 for 2021.

(ii) Amendment of Article 2(3) of the Articles of Association – Address of registrar

The Board of Directors proposes, as a pure formality, an amendment due to the Company's registrar having changed address.

(iii) New Article 5 of the Articles of Association – Proposal to use electronic communication – and amendment of Article 4(1), first paragraph

The Board of Directors proposes that the shareholders in general meeting pass a resolution to allow for electronic communication between the shareholders and the Company pursuant to section 92 of the Danish Companies Act. This will allow the Company to send all notices to its shareholders pursuant to the Danish Companies Act or the Articles of Association by electronic mail, and documents may also be made available or sent electronically. If the proposed resolution is passed, a new Article 5 will be inserted in the Articles of Association, which will read as follows:

"5. Electronic communication

5(1)

The Company may make use of electronic exchange of documents and electronic mail (electronic communication) in its communication with its shareholders. The Company may at any time elect to communicate instead by ordinary mail.

5(2)

The Company may use electronic communication for all notices to the Company's shareholders pursuant to the Danish Companies Act or these Articles of Association, including notices convening annual general meetings and extraordinary general meetings, interim reports, annual reports and any other notices and documents to be

exchanged between the Company and the shareholders pursuant to the Company's Articles of Association or the Danish Companies Act as well as general information from the Company to the shareholders. The use of electronic communication entails that the documents and the notices will be available at the Company's website, www.schouw.dk, and will be sent to the shareholders by e-mail to the extent required.

5(3)

All registered shareholders are encouraged to provide an e-mail address and to keep it updated at all times with the Company's registrar. It is the responsibility of the individual shareholder to ensure that the Company has the correct electronic mail address.

5(4)

Further details about system requirements and the procedure for electronic communication will be available at the Company's website."

The proposed resolution further entails that the present Article 5 of the Articles of Association will be renumbered to Article 6 for consistency.

Further to the Company's considerations on increased use of electronic communication, the Company will amend Article 4(1), first paragraph, to the effect that the Company will, when convening general meetings, also invite shareholders who are recorded in the register of shareholders at the date of the notice of the meeting and who have so requested, by notice directly to those shareholders. The proposed wording of Article 4(1), first paragraph, will read:

"General meetings are convened by the Board of Directors at not more than five weeks' and not less than three weeks' notice prior to the date of the general meeting. General meetings are convened via the Company's website. Notice of general meetings will also be given directly to all shareholders who are recorded in the register of shareholders at the date of the notice of the meeting and who have so requested."

The draft Articles of Association including all amendments as proposed by the Board of Directors are enclosed as Annex 1 to the complete proposals, which are available at the Company's website, www.schouw.dk/gf.

6. Election of members to the Board of Directors

Among the members of the Board of Directors, Jørgen Wisborg and Hans Martin Smith are up for election. The Board proposes that they be re-elected.
